Change of fuel station at Egelsbach Airport

Dear All,

we would like to inform you that **starting 01st of January 2022** TRIWO Egelsbach Airfield GmbH will operate the fuel-station independently.

The most important information are:

- **BP Carnets can not longer be used in EDFE!**
- We will provide **own fuel cards**, which can be ordered using forms which you can pick up from OPS. Please send this document to sekretariat.egelsbach@triwo.de.
- Furthermore, you can order the fuel cards via our homepage.
- The **billing** will take place with the monthly invoice run.
- **Refuelling** can still be paid in cash/by creditcard at our OPS.
- **Groups of owners** can order multiple fuel cards.
- Every **aircraft needs an individual card**, specified for the type of fuel.
- If you already have a direct debit customer account in EDFE, please note that the **bank details must be identical**. We can just list one IBAN in our system for all fees.

If you have further questions, do not hesitate to contact us.

Sincerely yours,

TRIWO Egelsbach Airfield GmbH
