General reference:

Service providers wishing to operate on the premises of the Frankfurt-Egelsbach Airport require written permission from TRIWO before commencing their activities.

1. Ground Handling

The services listed below will be performed upon request, provided that the personnel, vehicles and equipment can be made available.

The listed services are all special services from TRIWO that are provided outside of existing contracts.

TRIWO is only liable within the scope of legal regulations, whereby liability for negligence is excluded; for non-merchants, liability for simple negligence is excluded. The requesting company shall indemnify TRIWO against all claims asserted by third parties against TRIWO due to damage.

In addition, the provisions of the Airport Use Regulation for the Frankfurt-Egelsbach Airport apply in their current version.

The place of fulfillment is the Frankfurt-Egelsbach Airport. Place of jurisdiction is Trier.

Partial units will be charged in full. All amounts are subject to the statutory value-added tax.
