8.619 to 13.999	471,38		431,96	64,81
14.000 to 19.999	823,94		755,82	88,40
20.000 and more	1.062,62		971,88	111,96

The landing fee for ultralight aircraft (air sports equipment) is 10,71 EUR.

**The fees are charges within the meaning of Section 10 (1) of the German Value Added Tax Act (Umsatzsteuergesetz). The party liable for payment shall pay the value-added tax in addition, provided that the services are subject to and subject to value-added tax.**

\*Reduced landing, early and late fees based on the Landing Site Noise Abatement Ordinance (LLV) of 05 January 1999 for:

1. Propeller-driven aircraft with a MTOM up to 8.618 kg
2. Self-launching powered sailplanes if they fall below the noise limits specified in Annex 2 to the LLV by at least 4 dB(A).

**For other charges, please contact the flight management.**
